Hillbrook Anglican School

Hillbrook is a thriving co-educational independent high school of over 800 students in Brisbane. The School was founded on a philosophy of trust, respect, inclusion, collaboration and balance. Learning is approached with enthusiasm and creativity.

This role requires an outstanding educational leader with a high level of commitment to the academic, personal, social, physical and spiritual development of young people within an Anglican ethos.

Hillbrook fosters a collaborative style of leadership that involves and inspires staff and a strong commitment to the ongoing delivery of educational excellence in the spirit of the founding vision 'In Balance We Grow'.

The School, with a strong foundation, including full enrolments and excellent facilities, offers an exceptional opportunity for a new leader.

The successful applicant will have demonstrated experience and proven ability to:

- Lead and sustain a high performing, innovative and inclusive culture
- Co-design and deliver key initiatives in support of the School's vision and strategy
- Continue to drive innovation and development in teaching and learning to maximise student engagement, motivation, achievement and wellbeing
- Lead and develop all staff within a team based and collaborative culture
- Develop students by encouraging personal growth and the development of compassionate, ethical and creative citizens with a sense of hope and wonder
- Sustain and enhance a strong school community which promotes positive collaborative relationships with key stakeholders
- Implement systems and structures that ensure the effective ongoing management and development of the School.

This opportunity will appeal to a leader who has worked in a senior leadership position within a collaborative learning community.
